ROUTES 51, 53, 54 & 55 CHERRYHILL and ROUTE 56 COMMUNITY SERVICE

These services will require a commitment to increased personal attention/assistance and customer service. The success of this type of service in other systems was related very much to the friendliness and customer service provided to the customer by the Operators. The work assignments that operate Cherryhill Community Service are 3701 and 1009.

On Wednesday's there will be two additional community buses running, both starting out of the Highbury Garage, assigned as Spareboard pieces - COMM and Route 5601 the Baseline Community bus.

RUNS WORKING W, X, Y, AND Z GROUPS

These runs work every Friday. On Saturdays when groups WY are off groups XZ will work on their Saturday runs. To identify what runs are working on Saturdays the work pieces are duplicated on the runs. Each person will sign for a Sunday piece of work on the Sunday they are scheduled to work.

RUNS WORKING T, O AND N GROUPS

These 10 Hour runs with their respective jumpers have every Saturday off. The 10 hour Sunday work is assigned to each piece and will show below the regular weekday assignment. It is your responsibility to ensure that you have the correct hours of work for the correct day of the week. The jumper Operator will work the assigned Sunday work.

**NOTICE
TO ALL OPERATORS**

Reduced 2025 September Signup will be effective **Sunday September 14, 2025**

Sign up will take place on

September 3, 4, 5, 2025

Stat Holiday work will be unchanged from the original September Signup.

Sign up is done by seniority. Operators sign from 4:00 pm to approximately 10:30 pm on the first 2 days of the signup. Operators will sign from 1:00 pm to approximately 7:30 pm on the 3rd day of the signup.

SIGNUP EFFECTIVE DATES

The signup will be effective on Sunday September 14, 2025

SIGNUP INSTRUCTIONS

All Operators will choose a regular run or a position on the Spareboard first by advising a member of the Signup Committee and watching that his/her name is put in the correct location as per Section 203 of the Collective Agreement. Should the Operator choose a regular run that works on Sunday, the Operator is to sign separately for his/her Sunday run. Should the Operator choose Spareboard, the Operator must indicate his/her preference to work days or nights and his/her preference to work 10-hour shifts. Should the Operator choose a regular run which does not operate on certain days during the signup the procedure listed on the information sheet will be followed. The operator will follow this process for both levels of service to be signed.

Each Operator will have 2 minutes to sign.

The expectation is that Operators will arrive no earlier than 6 minutes prior to their signup time. This will allow each Operator 6 minutes to view the available runs on the boards outside of the signup room.

SIGNUP LOCATION

Signup will be held in the **Operator room** for all 3 days.

LEAVING CHOICES

It is not mandatory that an Operator shows up for the signup. Should he/she be working, on vacation or unable to show up then he/she can leave his/her choices on individual choice sheets that are to be left in the locked metal box when completed. The Committee will endeavor to sign the Operator on the run selected under the guidance of Section 203.08 of the Collective Agreement. **The metal box will be emptied 15 minutes prior to the signup time of the first Operator signing on each day.**

OPERATORS WORKING WHEN SCHEDULED TO SIGNUP

Operators with regular runs and working when scheduled to signup may wish to be present for signup. A replacement Operator may be utilized under the following conditions.

- 1) The replacement Operator must be a regular or Spare Operator scheduled off that day or a regular Operator who has completed his/her assignment for that day. Spare Operators scheduled to work on these days cannot be replacement Operators. Their work assignments are solely determined by Dispatch.
- 2) The Operator being relieved will be paid for his entire shift and will make payment to his/her replacement Operator.
- 3) The operator being relieved must advise dispatch no later than

Tuesday September 2, 2025

indicating who, where and when relief will be taking over as well as an estimated time of return to run.

- 4) The Operator being relieved should leave choices in the metal box (Section 203.08 of the Collective Agreement) in case the replacement Operator does not show. In this case, the Operator must continue on the run.

SIGNING ABSENTEES

Should an Operator not show up for signup and not leave any choices, the Committee will sign for the Operator. The Operator must accept what is chosen (Section 203.08 of the Collective Agreement).

Finally, the job of the signup Committee is not an easy one and requires the complete co-operation and patience of everyone.
